2014 Cutting Edge Home Decor Trends

Your home is your castle and its decor is a unique artistic expression of your tastes and aesthetic. In order to keep your home decor looking fresh and up to date rather than stale, it's important to pay attention to the trends as they shift and change.

This is especially important if you are selling your home, because outdated decor can make a negative first impression on the buyer. If you are planning to redecorate this year, what are the hottest trends when it comes to home decor in 2014?
